

Kindermusik for the Young Child 3 Class Information

Term 1 & 2, Semester 1 2019: commencing 12th March 2019

Kindermusik Level 5: Young Child Semester 3

A 15 week Unit over 2 terms for children 5 – 7 years old. Parents and siblings join in for the last 10-15 minutes. Using a small-group approach to music education, children will build critical vocal skills and develop a working knowledge of rhythm, notation and musical symbols through singing, listening, games and echoing activities. Appalachian music is a featured musical style this semester. First, you and your child will build a two-stringed dulcimer instrument with materials that we'll provide. Then in class we'll learn to play chords and simple melodies on the instrument you built together. We'll explore rhythm concepts through dance with an introduction to the basic steps in jazz, ballet, and tap dances as well as explore the Western Art music of the Nutcracker Suite. Children will also continue to play and build on their knowledge of the glockenspiel. Your Home Materials include dulcimer-making materials, activity cards, and music that features recordings from Appalachia, African-America, and Native American music. Join us for the final 10-15 minutes of class where homework is explained and we do an activity together to help you stay in touch with what your child is learning.
